Dear Betty and Heath,

Thanks for your nice note and warm invitation to dinner. We are going to stay in Menlo Park with some very dear friends, the George Andrews who live on Felton Drive. I'll be meeting with students on the campus that afternoon, rushing back to the Andrews for a change of clothes and a quick bite to eat, and then off to the evening talk. Thank you very much anyway--we'll count on at least having a visit by phone.

All the best.

Yours,

Dear Stan and Pat -

We are five minutes from the Stanford campus. Time in between the two talks for a little peace and quiet and dinner with us? Just a thought — you may be expected to join the Stanford brass. Let's do talk by phone on February 6<sup>th</sup> if we can't line you for a quick visit.

Our best to you both -

Dear Betty and Heath,

Enjoyed your Christmas letter and accompanying note that you'd still like to have me give a talk. Wanted to let you know I haven't forgotten that. Even though we are coming to Stanford on the 6th of February, I'm afraid I still won't be able to help you out.

We are going to be in and out of a speaking engagement at noon at the Fairmont Hotel in San Francisco to the Young President's Organization; at 3:30 in the afternoon at Stanford to a group of political science students; and then an open talk to the student body at 7:30 at the Kresge Auditorium. Unfortunately, we have to take off the next morning for Washington. I'll at least try to give you a call.

All the best and Happy New Year.

Yours,

STANSFIELD TURNER
